

Refund Policy

At MedFit Health, customer satisfaction is our top priority. If for any reason you are not completely satisfied with your purchase, we will gladly issue a refund under the following conditions. Products must be returned in their original condition—unopened, unused, untampered with, and undamaged. To be eligible for a refund, returns must be initiated within 30 days of the original purchase date.

Once we receive the returned item and verify that it meets the stated return criteria, we will process your refund to the original method of payment. Please note that shipping charges are non-refundable and return shipping costs are the responsibility of the customer unless the return is due to our error. We reserve the right to deny a refund if the returned product does not meet the required conditions. If you have any questions or need assistance with a return, our customer support team is here to help at support@medfit.health.
